Agenda

Examiner:

Below is an agenda for the telephonic Examiner Interview scheduled for October 13, 2009 at 12pm EDT/9am MST wherein Applicants' patent counsel will call the Examiner.

I. Rejection under 35 U.S.C. § 112

Applicants' patent counsel will discuss support for the terms "travel threshold," "minimum travel purchase threshold," "minimum travel trip threshold" and "travel goal" as recited in various claims in, for example, paragraph [0038] of the present specification.

For example, paragraph [0038] recites the following:

The system will also allow for load leveling with GDSs to meet minimum contractual transaction amounts. For example, the particular GDS accessed by the travel counselor can be manipulated such that travel transactions can be moved around from GDS to GDS in order to meet minimum transaction amounts. This can be accomplished by changing the GDS accessed by the travel counselor (this is transparent to the travel counselor).
